

Astrology Readings by Laura

Laura has studied astrology and metaphysics for over 25 years, using the birth chart to facilitate self-awareness, self-understanding and timing of planetary transits to maximize opportunities and understanding for personal growth. Taped readings are available in person or by phone at (604) 986-8821.

"If you knew who walks beside you on the way, fear would be impossible".

A Course in Miracles.

Aries

March 21 - April 19

Your ruler, Mars is in your sign in May and June, bringing out the warrior in you. You find your philosophy through creativity and the pursuit of knowledge. July finds you looking at ways to improve yourself and streamline your life. Take action to let go of everything that no longer serves the emerging, new you.

Leo

July 23 - August 22

The friends, hopes and wishes sector of your chart is lit up in June! You find luck with friends, groups, being active in your social circle. In July, your thoughts turn inward, more mystical. You may be interested in helping those less fortunate. Your experiences of the past 2 years have given you insight into yourself and you feel now is the time to share what you've learned.

Sagittarius

November 23 - December 21

You're feeling confident and powerful in June and July. Others reflect back to you, who you are. If you like what you see, you're happy with yourself. If not, there may be room for self-improvement or having a closer look at yourself. July brings in more money, prestige or a raise in pay is possible.

Taurus

April 20 - May 20

Your mind is sharp and curious in June, leading you down paths to greater self-awareness and understanding. Take time out to meditate, journal and ponder life's mysteries. In July, you put into practice what you are learning and beginning to understand. Remember – "Faith without works is dead", St. Francis.

Virgo

August 23 - September 22

Work and career look good in June. You receive recognition or take on more responsibility in the workplace. July is a great month for a holiday, especially one geared toward activity or a group tour as opposed to lying on the beach. You'll likely meet some new and interesting people.

Capricorn

December 22 - January 20

Work, health and fitness concerns occupy you in June. A good month for streamlining your life; clearing out the old to make way for the new. The solstice is an opportunity to begin anew in all areas of your life. Relationships take on greater significance in July, bringing more open communication and a balance of ideals.

Gemini

May 21 - June 21

Relationships of all kinds are your focus in June; a great month to meet new people or catch up with old friends. July finds you slowing the pace a little. Home is where your heart is this month, or you spend more money and time beautifying your surroundings. A nice month to retreat to recharge your batteries.

Libra

September 23 - October 23

Travel, education and broadening your horizons are all featured in June. Your partner may seem more active or demanding, so be sure to keep the lines of communication open to avoid arguments. July features changes in the workplace. Not to worry, you can easily adapt and learn now.

Aquarius

January 21 - February 18

Marriage, relationships and contracts are your focus in June. Other people seem to have a firmer idea of who you are than you do right now – listen to your wisest friends. You may be dealing with hospitals, institutions or those who can't help themselves in July. Yours is the sign of the humanitarian and your desire to be of service is strong now.

Cancer

June 22 - July 22

Work, career, personal finances are accentuated in June. You may begin a new career or put in more hours at work. Either way, your financial picture looks better than it has for a long time. In July, your confidence increases, as well as your ability to communicate and learn. Relations with siblings and neighbours improve.

Scorpio

October 24 - November 22

Finances, taxes, inheritances are featured in June. You may "find" money or get a great stock tip. Your personal value system is somehow connected to this, so make sure things are on the up and up. July brings a desire to broaden your horizons whether by travel or education; allow your philosophy to grow and flourish.

Pisces

February 19 - March 20

You're extremely lucky in the workplace in June. You could receive a raise, recognition or a promotion. In July, relationships turn sweet and loving. Others accept and love you just as you are. Allow your creative side to come out as it will assist you in finding your true Self.

GET ACQUAINTED WITH ASTROLOGY!
