

Aries March 21 - April 19

Your focus is on career/status in February. Expect promotions and/or recognitions. March brings in a more social flavor - you connect with like-minded individuals. Your sense of social justice may take you down roads you've not yet traveled. Allow yourself to be a little eccentric or find things/people/places off the beaten track. Definitely a fun and interesting month!

Taurus April 20 - May 20

Education, travel, philosophy and searching for truth are your focus in February. You want to travel; get out and see the world; learn what other people think. March is FABULOUS for your career, money and moving up in the world. Others are noticing you as well. If you are looking to change careers/jobs, etc., this is definitely the best month of the year to do so.

Gemini May 21 - June 21

Dealings with taxes, inheritances and shared resources occupies you in February. You're looking at new ways to make money, likely with others, rather than on your own. You're going deep into relationships and your own psyche. March brings a desire to learn more about the world, whether by travel or study. You aim high to transcend your present thought system.

Cancer June 22 - July 22

Relationships of all kinds are where you find your attention in February, or your partner is getting some lucky breaks that affect you as well. If you're single, you could "hook-up" with someone new. Things go deeper in March. You want to know yourself and others on a very deep, intimate level; no room for triflers!

Leo July 23 - August 22

February is your month to clear the decks! Get organized; streamline your life - let go of people, things and ideas that no longer serve you. Less is often more - this is the month to clean up and clean out. Partnerships occupy your time in March. Things look good; abundant opportunities for "true love", or being sensitive, kind and forgiving.

Virgo August 23 - September 22

February is for fun, romance, creativity and joy! Find ways to express what's in your heart Virgos are practical, so you could find your creativity through creating beautiful and useful things. March is about work, service and health. If you've been considering ways to give back to society, this is a great month to get started. It truly is better to give than to receive.

Libra September 23 - October 23

Home, family and possibly real estate take on added importance for you in February. You may renovate or expand your home, or your family. Lots of luck in the real estate area all year, so don't feel rushed or pressured to do anything that doesn't feel right. March brings in a surge of creativity, romance, relations with children - a good month to take an art or dance class - anything that expresses who you really are.

Scorpio October 24 - November 22

Communication, education, short trips are your focus in February. You never know who could have the answers you're looking for. March is great for real estate, dealings with family, home renovations or expansions. Security issues play a part this month. You have the ability to get clear about what makes you feel safe and nurtured in life.

Sagittarius Nov 23 - Dec 21

Personal finances and values are your themes for February. Excellent opportunities this whole year and this month particularly, to make substantial financial gains. March brings out your curiosity and your need to be on the "cutting edge" of new ideas and philosophies. You're more social, talkative and more connected with friends and siblings.

Capricorn Dec 22 - Jan 20

Great month (and year!) for all you Caps out there! You've got more confidence, faith in yourself and the future - not quite bullet-proof, but pretty darn close! Your financial situation improves. You're also looking at what has value for you - not necessarily financial, but emotionally and intellectually as well. Where you put your time and money tells you what you value; pay attention

Aquarius Jan 21 - Febr 18

February is a bit of a dichotomy. You're a powerhouse, but quite sensitive as well, not only to your own needs, but the needs of others. You may need more "time-outs" from life to reflect on what is going on inside. You crave beauty in all its' forms, whether it's nature, art - anything that is uplifting and soothing for your soul. Slowing down life brings peace and contentment.

Pisces February 19 - March 20

Your need to experience conscious contact with something greater than yourself is important in February. You're feeling reclusive; desiring to get in touch with your inner self. March brings you out of hiding, feeling confident and ready to re-instate yourself in the world. You're getting a better idea of who you are and what you want.
